PROFESSIONAL EXPERIENCE

Team Lead — Business Development & CX Operations · Boom Games Pvt. Ltd. Dec 2023 – Oct 2025

Bengaluru, India

- Led and mentored a 15-member CX and Business Development team across chat, email, WhatsApp, and voice, consistently achieving 95%+ of monthly revenue and deposit targets through retention, upsell, and VIP conversion strategies.
- Owned VIP escalation handling end-to-end, lifting customer satisfaction scores by ~20% while managing SLA compliance, productivity metrics, and queue efficiency for the team.
- Designed and delivered personalized coaching and micro-training programs on soft skills, communication, and VIP handling, raising team performance metrics by 15%.
- Built MIS dashboards, KPI trackers, and Root Cause Analysis (RCA) reports used by leadership to guide team-level decisions.
- Standardized SOPs, scripts, and workflows across the team, cutting Average Handling Time by ~10% and operational issues by an estimated 25%.
- Coordinated with Product, Technology, and Marketing on funnel and campaign performance, and led agent onboarding, interviewing, and ongoing training for the team.

Senior Customer Experience Executive (Team Coordination) · Gameskraft Pvt. Ltd. Mar 2021 – Dec 2023

Bengaluru, India

- Acted as a senior point of contact for the team, delivering VIP-focused support across chat, email, and WhatsApp as a top-ranked performer, achieving 92%+ of monthly targets.
- Mentored and trained junior staff in soft skills and VIP handling, and built reusable templates and communication guidelines adopted team-wide.
- Reduced resolution time by 25% through workflow improvements shared across the team.

Senior Customer Service Executive · Gamma Process Hub

Jan 2019 – Sep 2020

India

- Managed inbound queries and escalations with high accuracy, ensuring QA compliance and strong first-call resolution.
- Contributed Assamese-language dubbing for the GeM (Government e-Marketplace) Portal to improve regional accessibility.
